

# NATIONAL MSME EXCELLENCE AWARDS 2016 FOR MSMEs

Federation of Industry Trade and Services (FITS) is a national industry body working in the form of a bridge between the industry and the state/central govt. authorities to bring-about desired reforms in MSME sector. FITS has over 40 National Councils, representing different domains of our economy/industry and MSME is one of them.

Being a vibrant industry body it has taken many initiatives to bring about the reforms in MSME sector especially in the finance, quality of production with employability and skill development. The new Govt. has been taking very pro-active steps but still much more needs to be done. In this context FITS has been doing Conferences/seminars with support from different agencies of Ministry of MSME and Finance. This Conference is the extension of its on-going initiatives for this sector in close association and support of MSME ministry.

In the past one decade or so, our MSME sector has grown both horizontally and vertically. Today, with the global markets opening up, the thrust is on creating more jobs by enabling indigenous entrepreneurs. India is blessed with a major youth population and the world is looking at us to lead the way in the 21st century. The government's flagship programs namely "Make in India" & "Start-up India" are prudent steps to provide a much needed push to the MSME sector. It is encouraging to see that India is moving up the ladder in the "Ease of Doing Business" list. Although the sentiments around the MSME fraternity are improving, still, we need to introduce drastic reforms in the MSME sector so that more people are motivated to join the MSME sector.

Keeping in view the holistic approach with above objectives in backdrop, FITS is organising **One Day National Conference on Empowering MSMEs: Role of Banks & Financial Institutions, IT, Skill Development & Rating Agencies** followed by **FITS, National MSME Excellence Awards – 2016** on **23rd April 2016 (Saturday)** at **The Royal Plaza, Connaught Place, New Delhi**, to felicitate those with **National MSME Excellence Awards** who have taken initiatives and contributed significantly in the field of MSMEs.

## Award Entry Process

Complete the attached application form to register your interest and state which award categories you wish to enter.

Form to be duly signed and stamped by the authorised signatory of the organisation
